**AN EDITOR'S PLEA.**  
When I am dead you guys who pan me now Will come around and all in chorus vow, Tho' morally I had my spavin-ed joints, I was not, in the main, without good points. For all of which I will not care a darn; Such guff as that is old to me—a yarn So often heard repeated o'er and o'er, It is an irritant and makes me sore. While I'm alive I do not ask that you Should o'er my virtues make a great ado. But while I'm working here with type and ink, If you consider me a fairly worth-while gink, Do not reward my efforts with a jibe, But for my truthful paper please subscribe! And if from thrift or other point of view You think this sheet not worth a groat or two— If while I live my paper you've not read— Be thrifty with your lip-salve when I'm dead. —Barney Flinn, in the Sarcoxie (Mo.) DEVINE NEWSLETS.

From The Devine News.

Supt. W. N. Saathoff should be encouraged in his efforts to have singing emphasized in the schools. He tells us that the new superintendent at Hondo is seeking to add music, especially singing, to the curriculum in his school. Some one has said "Let me write the songs of a people and I care not who makes their laws." This has been true in the past; but are we not drifting? The ragtime and the jazz is too common now. We are reaping its effects every day.

ROASTING EAR MAN HERE SAYS PLANT NOW.

Mr. Crockett, the Roatingear Shipper, was here from Austin, Monday, looking after some improvements being made on his plant; the old Adams Co. Warehouse, which is being enlarged; and told the farmers not to be discouraged about dry weather. It is dry about Austin, as here. He advised farmers on black lands to lay off their lands and let the furrows dry out, and if it should rain in the meantime it will be alright; if not, dry plant so it will come up as soon as it rains.

Some who have planted on sandy lands, especially north from town report their corn coming up. Should it set in raining for several days corn planted ahead of the rain might get the start of that planted afterwards; but that planted after, if planted for other use or markets, will be easier cultivated than that planted before the rain, in which event the grass and weeds will come up with the corn.

Mr. and Mrs. V. A. Crow of Hondo were the guests of Mr. and Mrs. J. M. Crutchfield two days this week, while Mr. Crow fitted some glasses here.

The Woman Who Knows

Houston, Texas—"Because of my father-in-law having been benefited by taking Dr. Pierce's Golden Medical Discovery while living with us, I knew about Dr. Pierce's remedies. I knew about his poor health and how he gained strength, could rest and sleep better and was more active and cheerful. Later on it became necessary for me to take a woman's tonic, and I chose Dr. Pierce's Favorite Prescription. After the first few doses I felt better, and now recommend it very highly for women during middle age."—Mrs. Fannie Disherou, 2211 Center St. All dealers. Liquid or tablet form.

A TRIBUTE TO MR. J. E. BLACK-ALLER.

Mr. James Edgar Blackaller was born June 15th, 1878, in Frio County, Texas, and died at his home in Pearsall, January 30, 1925.

He was the son of a worthy pioneer family and in his childhood shared the hardships and danger of a pioneer life, thus learning that self-reliance and service which characterized his life as a man.

In March 1910, he was happily married to Miss Maggie Oefinger, who with her two little daughters, Margaret and Clara Belle, survive him. This marriage was a true union of heart and hand and their home life was almost ideal, sharing life's joys together and comforting each other when sorrow came. Mr. Blackaller was a loving and devoted husband and kind and affectionate father, and in his home was always cheerful and sought to make his loved ones happy by his bright companionship.

He was associated with his brother, George Blackaller, in the firm of Blackaller Brothers, and this firm owned and controlled large interests in land and cattle.

During the World War they were large producers of beef and pork, thus aiding in supplying necessary food stuff.

In the financial crash of 1920, in common with most other cattlemen, they suffered great losses and became heavily involved.

Since that time they have been heroically endeavoring to meet their financial losses and to redeem their ruined fortunes, and have commanded the admiration and esteem of all who knew them, by their efforts and by their unswerving determination. Indeed Mr. Blackaller's death may be attributed to his high sense of duty, as because of the extreme sickness of his brother George, he felt himself obliged to carry on the business of the firm even when he himself was sick and physically unable to do so. In this way he contracted pneumonia, which caused his death. He was a man loved and esteemed by all who knew him, especially by those who knew him best. He was not only honest and upright in business, but kind and helpful to those who needed his help. A good citizen, a true friend and a loyal servant of the Lord Jesus Christ.

He will be greatly missed in all the walks of life, in business affairs, in the community life, in the Methodist Church of which he was a loyal member, but especially in the home where his presence brought joy and gladness, and by his aged mother and surviving brothers and sisters by whom he was tenderly loved. But let us not grieve as those who have no comfort.

Let us realize that he has served faithfully in life's work of duty to God and man. At that, death has been to him but the entering into a new and larger life.

Let us be inspired by his example to bear our part well and to look forward hopefully to a re-union with our loved ones in the home land of joy and peace.

—Pearsall Leader. A FRIEND.

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general strengthening tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 75c per bottle.

### GRANDI BROTHERS PLEASE.

Grandi Brothers Stock Co. closed its week's engagement here Saturday night with a good program. The Grandi Brothers gave a good performance at each appearance, and the musical fetures were especially strong. The plays were all clean and the vaudeville specialties had nothing to offend. While the attendance was not so large as it could have been, due no doubt to the near approach of Chautauqua week and the necessity of most of us counting and apportioning our show money, Grandi Brothers may feel assured of a welcome should they ever return to Hondo.

CHAUTAUQUA HAS COME AND GONE.

Chautauqua made its annual appearance at Hondo this week, with it a message of uplift, and of good cheer. It has leaving behind it a community better by its visit and a people closer together in a spirit of unity and co-operation. The lectures are doing immeasurable good through their wholeheartedness to the hearts of the audience and moral uplift and by the taint of partisanship agenda, are destined to be and powerful forces for good. Amusement features are also and devoid of the vulgar and too often found in and on the regular stage. Hondo immediately followed the week's performance of the Brothers' Stock Company in its jazzy comedy, the ending of the Chautauqua were advantage. Just as a man's meat palls after being fed, Hondo's entertainment were not hungry for that amusement. Attendance at this Chautauqua was more than on any previous occurring a very gratifying interest and appreciation in high class entertainment. Expenses have not been sufficiently for the results to be told, but judge the size of the attendance would be a modest balance credit side of the account. \$550.00 is too much to for a three-day entertainment and take all the risk of weather conditions and adverse conditions, any requires this amount of Hondo very promptly for the Chautauqua year. are the guarantors for

ANOTHER BIG BARN BURNED.

An alarm of fire about 10:30 Thursday night carried the fire company and a large number of other people to the farm of Mrs. W. P. Laughinghouse, some two miles west of town, where the barn was discovered to be on fire.

Toby Taylor, who was passing along the Highway, discovered the fire, and seeing it was beyond his efforts to extinguish, speeded up and got to a telephone and gave the alarm. The fire, when first discovered, had gained such headway that the flames were issuing from under the eaves of the roof. The family, who had attended the Chautauqua entertainment in town, had stopped at a neighbor's en route home, not being aware of the loss they were suffering at home, and never got home until the fire was beyond control.

While the barn was an old one, and not of much value, the contents between 200 and 300 bushels of corn, and approximately two tons of cottonseed and some hay in the loft, constitute a serious loss. An old Overland automobile also was consumed making the total loss approximately \$1,200 or \$1,500. While some of the corn may not be a total loss, it will only be fit for hog feed, owing to smoke and water.

The pumper soon exhausted the water supply but not before the fire had been sufficiently checked to allow a shovel gang to spread the corn, which saved it from being completely destroyed.

The origin of the fire is unknown, being another of those mysterious fires that have destroyed numerous barns in this community the past few years.

LUTHERAN LADIES AID.

Mrs. C. J. Bless very delightfully entertained the members of the Lutheran Ladies Aid Thursday afternoon.

After industriously wielding the needle for a couple of hours, a short business session was held.

Delicious refreshments of hot chocolate, sandwiches and cake were served to the following: Mesdames Felix Batot, Geo. Bendele, Sr., Henry Britsch, G. E. Grueber, L. A. Mechler, Amanda Muennink, Ben Oefinger, Alice Reinhart, Aug. Schroeder, Anna Stiegler, Henry Stiegler, H. E. Haass, Mary Karm, Alice Karm, Geo. Leinweber, Robert Richter, Hy. Frerichs, Rosa Frerichs, Charlotte Miller, Jacob Rothe, Tena Blalock, Ella Balzen, Geo. Bendele, Jr., Rollie Bless, Andrew Bless, Miss Lucille de Montel and Rev. G. E. Grueber.

IN CASE OF FIRE!

Fire Chief C. J. Bless calls our attention to the fact that the run of the fire engines to the fire Thursday night was seriously retarded and several accidents narrowly averted by people getting in the way of the fire trucks. Mr. Bless urges that those going to a fire get out of the road when they hear the fire trucks coming, stop until they pass and follow behind the trucks if they must go to the fire. This will facilitate the handling of the fire engines, avert danger of accidents and help all concerned. This timely suggestion of our Chief should have the attention and strict observance of all concerned!

BAPTIST W. M. U.

The Baptist Woman's Missionary Union was entertained by Mrs. Nettie Carle Thursday, February 26th, with twenty-three members and visitors present. E. Murphy and a vocal duet by Mesdames Roland Gaines and Brown closed the program, after which the guests were served with sandwiches and coffee, making the social hour a time of refreshing as well as enjoyment.

**New Way to Quickly Stop Dangerous Cough**

It is almost criminally careless not to properly attend a persistent cough, which by seriously weakening the system lays you open to far more dangerous infections. For by a very simple treatment you can stop the coughing spells almost instantly and often relieve the stubbornest cough in 24 hours.  
This simple treatment is based on a remarkable prescription known as Dr. King's New Discovery for Coughs. You simply take a teaspoonful and hold it in your throat for 15 or 20 seconds before swallowing it, without following with water. The prescription has a double action. It not only soothes and heals soreness and irritation, but it quickly loosens and removes the phlegm and congestion which are the direct cause of the coughing. The prompt relief of the heaviest cough seems almost magical.  
The prescription is highly recommended for coughs, chest colds, hoarseness and bronchitis, and is wonderful for children's coughs and spasmodic croup—no opiates or other harmful drugs. Economical, too, as the dose is only one teaspoonful. At all good druggists. Ask for

## MEDINA COUNTY BOYS MAKE GOOD SHOW WITH CALVES.

The senior Hereford calf fed by Bill Conway, 18-year-old member of the Bexar County Baby Beef Club, was awarded the grand championship in the competition between clubs of Bexar, Medina, Frio and Gillespie counties, held at the Union Stock Yards Tuesday.

Competing with Bill's calf were the animals fed by his sister, May Conway, 16; Clemens Wurzbach, member of the Medina County Club, and Harvey R. Wright, member of the Frio County Club, all winners in their respective classes. Bill won out by a narrow margin over his sister, May, whose calf was judged the second best in the show. Wurzbach and Wright were third and fourth, respectively.

Five hundred dollars in new crisp United States currency was distributed in prizes among 31 winners. There were 44 animals entered. Five contestants were girls. In addition to first prize money in his class, Bill Conway will get \$100, offered by the Union Meat Company to the grand champion calf feeder.

Twenty-five per cent will be added to all prizes by the American Hereford Breeders' Association.

The show was sponsored by the Southwest Texas Hereford Breeders' Association. E. D. Henry and W. T. Montgomery were in charge of the financial arrangements. The agricultural department of the Chamber of Commerce was in charge of the general arrangements and the extension department of the Texas Agricultural & Mechanical College and county agents of the four counties participating.

W. H. Darrow, district agent with the extension service of the college attended the show. County agents attending were Jack Forgan, Medina; O. G. Tomlinson, Frio; R. S. Miller, Gillespie, and C. H. Alvord, Bexar, and his assistant, O. B. Rollins. H. B. Johnson, cattle feeder of Corpus Christi, did the judging.

**Kleberg Attends Show.**  
Robert J. Kleberg of Kingsville, manager of the King Ranch, who furnished all the calves except those competing in the junior class, which were provided by Hereford breeders of Frio County, attended the show and was an interested spectator as the judging progressed. He made an address to the boys and girls, congratulating them on the fine showing made. "You have ruined the looks of my calves and I would not have known them," he said.

Accompanying Kleberg to San Antonio were Richard Kleberg of Kingsville and Col. W. W. Jones of Corpus Christi.

The calves were placed on feed by the boys and girls on last May 25. The boys and girls gave their notes to the breeders for an amount representing the value of their animals and when they are sold following the Fat Stock Show which opens at Fort Worth on next Sunday, they will pay off the indebtedness plus 6 per cent interest and bank the difference. When they were placed on feed they averaged about 450 pounds each in weight. Now they tip the scales at approximately 1,000 pounds.

The prize winning calves will be taken to the Fat Stock Show for the State-wide baby beef competition.

Prizes were awarded as follows:

**Prize Winners.**  
Class 1, senior calves never on nurse cow: First, May Conway, Bexar County, \$25; second, Harold Galm, Bexar, \$20; third, Bruno Rompel, Bexar, \$18; fourth, Pror Morford, Gillespie, \$16; fifth, Werner Klier, Gillespie, \$14; sixth, Reno Lindig, Gillespie, \$13; seventh, John Isle, Medina, \$12; eighth, Clarence Harlen, Gillespie, \$11; ninth, Julius Stein, Medina, \$10; tenth, Frieda Halbader, Bexar, \$9; eleventh, Louis Blank, Bexar, \$8; twelfth, Richard Stein, Medina, \$7; thirteenth, Harry Eckert, Gillespie, \$6; fourteenth, Louis Rothe, Medina, \$5; fifteenth, Jerry Bacon, Bexar, \$4; sixteenth, William Rothe, Medina, \$3.

Ed McCloskey of Dilley, Frio County Hereford breeder, who attended the show, said it was one of the best he had seen. "I have attended a number of baby beef shows, among them the one held at the Fort Worth Fat Stock Show last year, and the show here today is better than any," he said.

## New Method Heals Pyorrhea

Ten Year Bad Case Completely Healed in a Short Time Writes Florida Woman.

Faced with the loss of her teeth, after 10 years' suffering, Mrs. M. J. Travis, an esteemed resident of Jacksonville, declares she finally saved her teeth by a simple home treatment: "worth its weight in gold." Using her own words: "After having pyorrhea for 10 years my mouth is now healed. Before I found out differently, I was told there was no relief and had yielded to the loss of six fine solid teeth. Then I discovered Moore's pyorrhea treatment. Three days after starting its use, the soreness left my gums; my teeth began to tighten. Now my teeth are clean, my breath sweet, and my mouth completely healed."

The experience of Mrs. Travis is duplicated in hundreds of other cases. If you have pyorrhea—or threatened with pyorrhea your teeth are in danger. Quick and effective treatment is necessary. You can test, without money risk, the treatment used by Mrs. Travis. Simply write the Moreham Co., 2159 Gateway Station, Kansas City, Mo. Under their guarantee of refund send two dollars. Or, pay postman the \$2 with a few cents postage. Use the treatment 7 days. Then if you are not wholly satisfied, write to that effect and your \$2 will be returned at once.

## IT HAS LASTED.

Hon to People Must Believe Such Convincing Testimony as Mr. McCall's

No one in Hondo who suffers backache, headache, dizziness, rheumatic pains or distressing urinary ills can afford to ignore this twice-told story of a Hondo resident. It is confirmed testimony, telling of lasting benefit from Doan's Pills—a stimulant diuretic to the kidneys. It's evidence that no man or woman in Hondo can doubt.

Thos. McCall, carpenter, Hondo, says: "I came down with an attack of kidney trouble. I had such a severe pain in my back, I could hardly stoop or lift anything. My back pained me all the time and made it difficult for me to do my work. Doan's Pills from Windrow's Drug Store removed the trouble."

FOUR YEARS LATER, Mr. McCall added: "I have used Doan's for a slight backache since. I endorsed them before. I think as much of them as ever."
